

Good Friday Track Day

Written by Andrew

Monday, 01 April 2013 16:34 -

The weather could not have been more perfect for the Members-only track day. Other than a little dust to start off, ASR was the perfect spot for pushing the cars to the limit. Several GT-Rs, Porsches, Corvettes, and BMWs came out to enjoy the day. Hydration, snacks and brats were provided for all members and their spouses/children in attendance.

Four racetrack newcomers attended the drivers' education instruction to learn about ASR and how to handle their vehicles at speed during the day, and did a fantastic job. Several veteran drivers in attendance also offered plenty of helpful advice and tips that assisted everyone in getting around course more quickly and safely.

Be on the lookout for our next members only track day, but in the meantime members have been invited to a special event at Inde Motorsports Ranch coming up. Look for it in the Member's Only events section.
