The 2009 Dustball Rally went off without a hitch. Everything went as planned and everyone had an absolute blast.

The big secret destination was Las Vegas, Nevada. Teams traversed a treacherous course that lead them through a highway formerly known as Highway 666 (The Devil's Highway). This is one of the most dangerous yet scenic highways in the United States. Below is a link of the entire course.

[Route for the 2009 Dustball Rally 1500](#)

The awards presentation is to be held Sunday, August 23rd at 6pm. Location and details can be found on www.dustballrally.com
